through the **power of breakfast**

Help us transform lives **THROUGH THE POWER OF breakfast!**

We believe that breakfast has 'magical' properties. It can, in front of your eyes, transform what would appear to be an irritable, disruptive child into a happy, engaged and enthusiastic student.

But it is not just the child's educational and mental well-being that is improved. Breakfast has profound effects on communities whilst also providing a much needed lifeline to families in need of support in such economic uncertainty.

How you can help...

At Magic Breakfast we believe no child should be too hungry to learn. We offer over 200,000 breakfasts every day to children and young people in schools across England and Scotland.

Our Magic Breakfasts are funded through your generous donations and fundraising efforts. In this guide, you'll find everything you need to organise an event at your school. Whether you are organising a class bake sale or a school challenge, every penny you raise will create real

change for children and young people, transforming their lives through one simple meal.

Did you know?

96% of schools saw **improved concentration** in class when children had breakfast

£5 could **feed a child** and provide school support for one month

26 **fewer half days of absence** per year when children have breakfast

**NO CHILD

TO LEARN.**

Putting the **fun** into **FUNDRAISING**

Looking for inspiration for your fundraising event?
Here are a few of our favourites which we're sure
everyone will love!

Tea Towels

Class fundraising tea towels are a fun and creative way to raise money. Why not ask the class to draw their favourite breakfast?

Bagel Bake Sale

A fun 'breakfast inspired' take on the classic bake sale. Why not include an extra prize for the best bagel toppings!

Create a Cookbook

Creating a breakfast cookbook is a superb way to get students involved whilst educating them and their families on the importance of breakfast and healthy eating.

Non-uniform Day

One of the most popular ideas. Wear your own clothes, fancy dress or something orange in support of Magic Breakfast!

Themed Sports Day

Hold a breakfast themed sports day, think; egg & spoon race, 'bagel' hoopla, banana relay. The possibilities are endless!

Challenge Events

Whether individually or as a team, get sponsored to complete a challenge. How about a 5K? Dance-a-thon? Or even a day of silence!

Charity Auction

A charity auction is a great way to raise funds. Whether you're bidding on items, packages or even donated services.

School Disco

Get your dancing shoes on and host a school disco! Turn up the fun with a dance competition, fancy dress or even karaoke. If noise is not your idea of a good time, why not have a silent disco?

Read-a-thon

A wonderful way to encourage a love of reading. Why not challenge the class to read as many books as they can during a chosen time.

LET THE STUDENTS' voices BE HEARD!

Whether it's an article in the school paper or a rousing online speech, we want to empower students to get vocal about why breakfast is so important and what others can do to help.

Children and young people are at the heart of everything we do. By amplifying young voices and challenging others to take action, together we can put an end to morning hunger.
