

Aspiration Day Worksheet

Key vocabulary

Word	Meaning
a) Employee	1) This is the path a person takes through all the different jobs and work experiences they have over time.
b) Career	2) This is a way of learning a job by working with someone who is very good at it. It's like being a helper and a student at the same time.
c) Volunteer	3) This is a person who works for someone else or for a company and gets paid for the work they do.
d) Apprenticeship	4) This is a special award you get when you finish studying at a college or university. It's like a certificate that shows you have learned a lot about a particular subject.
e) Degree	5) This is a person who helps others or does work without getting paid. They choose to give their time and effort to make things better for people, animals, or the community because they care.
f) Skill	6) This is something you can do well because you have learned and practiced it. It's like a special ability or talent, such as playing a sport, drawing, or solving math problems.

Aspiration Day Worksheet

Your questions for the volunteers

Education and job history	Their current day-to-day job	Skills and abilities
1. Which school subject appealed to you the most?		
		3. What 3 skills do you use the most in your job?
	5. What is your least favourite aspect of your job?	

Aspiration Day Worksheet

Reflections after the event

1. Which job or industry sounded the most interesting to you? Why?

2. What did you learn about how people get into certain careers (education, training, work experience)?

3. Did anything surprise you or change your thinking about a certain job?

4. What skills or subjects seemed useful across different careers?

5. Are there any next steps you'd like to take to explore a career you heard about today?
