## About Magic Breakfast

Magic Breakfast makes a difference to over 200,000 children and young people every day by offering breakfasts and expert advice to tackle morning hunger in schools across England and Scotland. We exist to make sure no child or young person is too hungry to learn.

We take the time to understand your school and help you plan a **hunger-focused breakfast provision** that delivers maximum impact for your school. We are independent of government and proud to be supported by household brands Arla, Heinz, New York Bakery Co, Quaker, Warburtons and Weetabix.
